# How do I check out using the Shopify App?

Scribe

1 Navigate to the Simply Framed Shopify App from the backend of your Shopify store.

2 From the homepage of the app, click "View {2} orders." The number of orders listed will reflect the exact number of orders waiting to be fulfilled by Simply Framed.

3 On this page, you will see individual orders waiting to be fulfilled by Simply Framed. You can push each order to Simply Framed individually, or in bulk.
